CUSTOM FAN HINGES

The only sure way to prevent damage to your fan, electrical wires, and roof when your fan is removed for cleaning and inspections

Coated safety cable included

Longest and strongest supports of any current hinge setup to reduce stress on fan and curb

Stronger hinge point than any current factory hinge

External weather proof flex conduit on a properly installed fan (customer installed by qualified electrician)

Most of the major restaurant chains use fan hinges to help lengthen their fans usable life

Call for current Pricing.

- ROTO-STEAMCLEANING
- BLOWER BALANCING AND REPAIR
- VIROSPEC
- VIROCHEM

WE ALSO HAVE CUSTOM FULL SURROUND HINGES AVAILABLE FOR LARGER FANS THAT REQUIRE ADDITIONAL BASE SUPPORT. NOW ALL REMOVABLE FANS CAN BE CUSTOM HINGED!

unsafe condition on pitched roof that a hinge can solve
